

Document Delivery

Automate your email and online itineraries

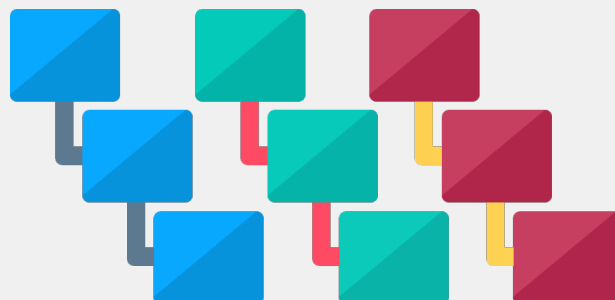

White label agency email itineraries

- ▶ Automate custom branding via templates, PNR remarks or custom components
- ▶ Single or Multi-TMC and Open API
- ▶ Consolidated, single view of the traveler journey
- ▶ Customizable branding and content by client
- ▶ Auto sync with mobile, Microsoft teams and Slack
- ▶ Control what your travelers see
- ▶ Management portal to manage content
- ▶ Single click calendar sync
- ▶ PDF attachments and integrated invoice

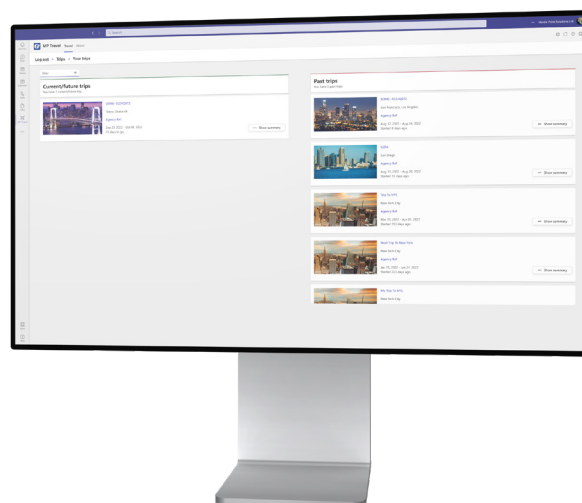

Customize traveler itinerary emails

- ▶ Self service content management portal
- ▶ Manage content and design by client or traveler role
- ▶ Automate personalization via templates, PNR remarks or custom components
- ▶ Add images, logo's branding and remarks to customize the client and traveler experience
- ▶ Manage multiple languages
- ▶ Unlimited access and changes

Integrated with leading collaboration tools

- ▶ Traveler access their itineraries from their enterprise tools
- ▶ Integration into their Microsoft teams and slack workspaces
- ▶ All itineraries in one place
- ▶ No need to download additional travel only apps
- ▶ Notifications right to their teams or Slack accounts
- ▶ Travel arranger view to search for traveler itineraries and invoices
