

On Demand Invoice

Self-service invoice retrieval for clients and travelers

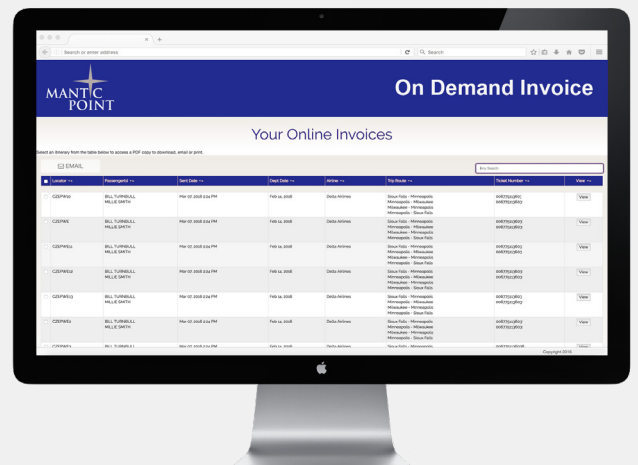

Single itinerary and invoice document

- ▶ No need to manage multiple documents
- ▶ Exchange information, refunds, fees and payments
- ▶ Invoice summary information on the itinerary
- ▶ Invoice available across email, online and mobile

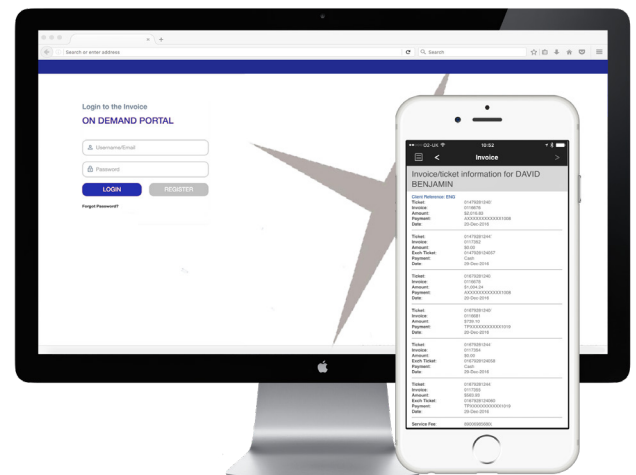

Search and retrieve

- ▶ Self-service portal for travelers and authorised client users to search, retrieve and share itinerary invoices
- ▶ Search by name, email address, record locator or invoice value
- ▶ Share a true copy of the invoice with those that need it
- ▶ Avoid additional GDS hits from regenerating documents

Enhanced customer service

- ▶ Let your clients and travelers get to their information when they need it
- ▶ Travelers can submit their invoice whilst on the go
- ▶ Improve consultant productivity by reducing workload from invoice retrieval
- ▶ Ensure the client gets the right invoice copy rather than regenerating from the GDS

About Mantic Point

Mantic Point is a leading provider of integrated traveller itinerary management solutions to the travel trade. Our white label mobile, email, online and social itineraries help TMC's corporate clients and their customers ensure the right information gets to the right person at the right time.
